

GSSF Indoor Range of the Year
Shore Shot Pistol Range
Lakewood, New Jersey

Shore Shot Pistol Range is located in Lakewood, New Jersey. This family owned business has been serving the New Jersey shooting community for over 19 years.

Shore Shot has grown by leaps and bounds since Bill Sherman first opened the doors years ago. Shore Shot has 10, 25 yard indoor lanes and a full retail store. Shore Shot prides itself on being just as helpful to new shooters trying to get involved in the sport to the advance marksman that shoot there daily. Shore Shot always has a Range Master on staff to make sure the range is always safe and there to assist newer shooters. The staff is very knowledgeable, with multiple Glock, AR, and 1911 Armorers on staff. They also pride themselves on having one of the largest collection of new firearms in the state. Shore Shot also has the Glock Range Program as well as other manufacturers range programs which allows customers to shoot the firearms that they may be interested in purchasing in order to get the true feel of the firearm. Shore Shot also has a full retail section carrying all your needs for any pistol or long gun you may own. Shore Shot is open 7 days a week, daily memberships and yearly memberships are available. Shore Shot looks forward to supporting and running GSSF matches for years to come.
